A message from Liz Eustace, our carnival recorder, to those responsible for club entries:

What we would like to ask of the clubs is that when doing entries that they make sure:

- *all athletes are entered prior to the closing date of the carnival - looking at having closing on the Wednesday prior to the carnival - so that the print off of the sheets can start on the Thursday so all is ready for action on the morning of the carnival.*
- *all athletes have been checked that they are registered and have the required awards prior to closing date of the carnival - entries and or results can't be processed if the athlete isn't a current member or proficient for 2018/19 season. We will only accept late athlete entries on the day - if there is paper evidence that the athlete is financial and proficient. Late athlete entries on the day will be charged a late entry fee.*
- *Team are entered into Team contests - including the team members for the team (50% of team member names can be changed on the day - but if they are named in the contest already this will make it easier when entering results)*
