## Workforce

**Carnival Referee:** Ondine Adey

**Officials Coordinator:** Liz Eustace

**Venue Management:** Felicity Cooper

## Officials & Timekeepers

All clubs competing at the Pool Rescue Competition **MUST** provide **at least 2** Officials/ timekeepers/ helpers. All workforce officials will be notified of their appointments and where/ when they will be required during the event. The more timekeepers/ helpers your club can provide; the less time they will have to be on the pool deck.

## Helpers in the water

With the potential to run 60 races in one day, it is ever so more important that there are enough helpers, timekeepers and officials available and willing to assist with the organisation and delivery of the day. For certain events, including those with manikins, obstacles and other equipment, we will require a number of helpers willing to get wet and be in the water to move and set equipment.

Please email the names of your club Officials/ Timekeepers/ Helpers to Shayne Jupp by **9am, Monday 2<sup>nd</sup> August 2021**. Please note, clubs may not be eligible to compete without the required number of officials to support the Referee on the day.

## Equipment

All clubs competing at the SLST Pool Rescue Carnival are asked, if possible, to bring 3 rescue tubes (please make sure all club equipment is marked appropriately) to be used by all competitors at the event. As with manpower, the more equipment available to be used will help the day run more smoothly.
